Bangalore

Sir,

I have the honour to inform you that the Principal of the Maharaja's College in his letter No 1 of 1st July 1907 reports that the Matriculation class of the College contains 71 students and that it is in an unusually backward condition. He proposes therefore to split the class into two sections and asks for sanction to employ a temporary additional teacher on Rs 50 per mensem to the end of the current academical year. I recommend that the employment of an additional teacher on Rs 50 may be sanctioned from the General savings.

I have the honour to be
Sir,
your most obedient servant
